## WHAT OUR CURRENT APPRENTICES SAY

"The apprenticeship has given me an unbelievable amount of support to ensure I complete my Level 3 diploma in IT. It's given me an amazing opportunity to develop a new career in IT with the benefit of earning while I learn."

*Jack Brady - IT Support Technician*

"During sixth form I was unsure whether to take up my university offer or to look for an apprenticeship. After my first interview here, I knew that's what I wanted to do. Working whilst studying has helped me understand the theory of what I'm learning and apply it to the tasks I complete daily."

*Phoebe Evans - Finance Assistant*
