DESTINATION

When travelling abroad it's always great to find new and exciting destinations to explore. Here are a selection of our must-see attractions to discover when you visit the beautiful city of Osaka in Japan.

-  **Osaka Castle**
Once the largest castle in Japan, this impressive monument is one of Osaka's most popular attractions. Visit during cherry blossom season to see it framed in pink and white blooms.
-  **Shitenno-ji Temple**
Japan's oldest temple was founded in 593 by Shotoku Taishi. The outer grounds are free to enter but it's worth exploring the inner precinct, including treasure house and Gokuraku-jodo Garden, to find your inner zen.
-  **Aquarium Kaiyukan**
Located in the Tempozan Harbor Village in Osaka's bay area, the aquarium is a spectacular structure outside and in. With 15 huge marine tanks that each represent an area of the Pacific Rim, you can spend hours marvelling at the underwater world.
-  **Universal Studios Japan**
From the world's largest Minion-themed attraction to The Wizarding World of Harry Potter, film fans, families and thrill seekers everywhere will love the fun day out that this much-loved theme park has to offer.
-  **Explore Dotonbori**
As one of the most touristy areas in Osaka, you can't miss the famous neon signs and masses of restaurants that line the riverbanks. It's a reasonably priced food heaven!
