DESTINATION

When travelling abroad it's always great to find new and exciting destinations to explore. Here are a selection of our must-see attractions to discover when you visit the beautiful Seychelles.

- Vallee de Mai, Praslin
This UNESCO world heritage site is home to the famous Coco De Mer palms (they produce the world's largest seed!) and thanks to the shade created by trees, it's a great place for a family walk.
- Cycle around La Digue
A small island in the Seychelles with very few cars, La Digue is well known for its stunning beaches and excellent snorkelling. Grab a bike and try to meet one of the local inhabitants - giant wild tortoises!
- Snorkel the marine parks
With an abundance of snorkelling hotspots around the islands, you'll find an incredible plentiful array of colourful fish, turtles and even whale sharks in the Seychelles! The best months for visibility are March to May and September to November.
- Discover hidden beaches
Each island is lined with beautiful white sandy beaches so don't miss the opportunity to relax during your time in the Seychelles! The most well known beach is Anse Source d'Argent on La Digue but we've heard that heading off the beaten track is best.
- Eat like a local
You'll find some unbelievable creole food in the Seychelles, including a plentiful supply of freshly caught fish. Don't miss out on your chance to try local delicacies for fairly low prices at restaurants dotted around the islands.
