DESTINATION

Here are our must-visit attractions when visiting the beautiful island of Barbados:

Beach-hopping

From the platinum west coast to wild surf in the east, Barbados is fringed with world-class beaches. There's a vibe for everyone so it's worth exploring to find your favourite.

Mount Gay Rum Distillery

Don't miss the opportunity to sample one of the most famous Bajan exports! Mount Gay Rum Distillery offers fascinating historical tours that culminate in a lively tasting session.

St Lawrence Gap

When it comes to nightlife 'The Gap' has it all. Located on the island's south coast, the mile-long strip is teeming with restaurants, bars and clubs - the perfect place to round off an evening in paradise.

St Nicholas Abbey

The old plantation house-cum-rum distillery has long been one of the island's top historical destinations. Their latest attraction is a steam train tour that's great for adults and children alike.

Off-road exploring

Luxurious beaches are just one part of Barbados and we think an Island Safari is the perfect way to see the rest. We guarantee you'll never forget bumping through forests around the north east of the island in an off-road jeep!
